MAYOR'S AGENDA:**1. Proclamation: Read Across America**

Motion by Councilman Barr, seconded by Councilwoman Oehler to endorse the Read Across America Proclamation to be conducted on March 2, 2011. All in favor.

Motion by Councilman Krasnomowitz, seconded by Councilman Kelly to open the meeting with regards to this matter only. All in favor.

Ms. Bridget Walsh stated that she has been the owner since 1978 and never had a problem until the State came in and redid the intersection, taking property by condemnation from her, at the same time guaranteeing that she would have parking. To date that has not happened. Her tenants have no where to park, let alone the difficulty it is for customers. She implored the Council to allow the usage of the municipal spaces for her tenants, with a permit usage only. Ms. Walsh stated that she is concerned about further renting out her unoccupied unit since her new tenant has received a parking ticket due to lack of parking.

Council discussed different ways to handle the situation. A committee made up of Council members Kelly and Barr, and Mayor Marino will look into the situation further and report back to the Council. BOARD OF HEALTH

Councilman Sena stated that the Board of Health Re-Organization meeting was finally held, with Linda Adams as Chairwoman and Dr. Peter Karas as Vice-Chairman. 2. COURT

COUNCILMAN KRASNOMOWITZ:

2. CONSTRUCTION DEPARTMENT

Councilman Krasnomowitz stated the correspondence was received from Hardyston Township regarding Inter-Local Agreement for Construction Services in which they would like to change the current contract to be consistent with their other inter-local contracts. Basically this would change our current contract from a 4% increase and reduce it to 2 ½ %.

Motion by Councilman Krasnomowitz, seconded by Councilman Barr to agree to the change of the contract with Hardyston Township for the Construction Services.

DISCUSSION

Councilman Kelly asked why the 2 ½ % when the State cap is at 2% and we should be trying to keep as many contracts under the cap as we can. After some discussion, Borough Clerk Doreen Schott will contact Marianne Smith, Township Manager, to discuss the percentage. Councilman Krasnomowitz amended his motion to sign if agreed at 2 % and if not, at 2 ½ %, to bring this back for discussion at the next Council meeting.

Roll Call:

Ayes: Barr, Kelly, Krasnomowitz, Law, Oehler, Sena
 Nays: None
 Abstain: None
 Absent: None

3. LAND USE BOARD

Councilman Krasnomowitz said that the Historic Preservation Designation Report on the First Presbyterian Church was discussed at the Land Use Board and, as procedure is, has now come to the Mayor and Council for their vote. Councilman Krasnomowitz stated that although it is the recommendation from the Land Use Board to the Mayor and Council in favor of proposed designation, he could not see the parsonage being designated along with the church as there is no historic value to the building, only the church. This would mean that when someone would want to buy the property, they would have to go through the cost of subdividing the property. Councilman Krasnomowitz stated that the Council should do that now, instead of later. Mayor Marino feels that Councilman Krasnomowitz does have some valid points but that we should also consider what our consultants advise us to do. Councilman Barr said that we should go with the recommendation of

our professionals and that would be to list it as the parsonage and church as one designation. Councilman Kelly agreed with the consultants' recommendation also.

After further discussion, motion by Councilman Barr, seconded by Councilman Sena to accept the recommendation from the Land Use Board in favor of the proposed designation on the First Presbyterian Church.

Roll Call:
