Director Yahm said he would meet with him to discuss the situation. Mr. Owens, once he reviewed the ordinances, feels the ticket was given in error. Councilman Barr stated that it was at the discretion of the police, zoning, etc. to enforce. Mayor Marino was sympathetic to the situation, stating also that it was a pending case. When asked to get a copy of the court records, Mr. Owens was directed to see the court administrator, whom he already had, adding that he would have to spend approximately \$300.00 for a recording of the proceedings.
