Ice Cream Social

Members said there was a nice turnout – a minimum of 75 people attended. Nicole Christian did a wonderful job with the ice cream magnets and all the kids loved making them and even the adults. Tom Gardner was awesome and everyone loved the music! All members thought the individual ice creams were perfect. There is a concern about the refrigerator -it was not staying very cold in the refrigerator part and the freezer section was not going below 36. There are no other functions planned for the park this year but a check will be made on the refrigerator before turning it off for the winter.

Foot Golf

Unfortunately Foot Golf was attended by 7 people but they played and enjoyed themselves. Prizes were given to those that won certain categories. Members discussed how to promote the event as it is a new sport that people probably do not know much about and the timing was not the best, with summer vacations, etc. Members talk about scheduling this in the fall to coordinate with the school soccer schedules. Art will advise when to start promoting the event.

Miners Game

Kathy has the tickets for sale at Borough Hall for the August 20th game for a cash sale of \$12.00 each. It will be advertised on the message board and the website and went out in the newsletter.

Movie Night

The movie projector was ordered from Amazon and came in. From a list of movies, members chose WALLE, Ratatouille, and Finding Nemo, of which one will be chosen. Suzette will make up a flyer with a 6:45 pm arrival time at the Firemen's Pavilion on Friday, September 9th with the movie starting at 7:15 pm. Parents must stay with their children. Sam is trying to get in contact with the Boy Scout leader to see if they are interested in selling snow cones and other snacks.
